Career Website Places Deerfield Among the 10 Most Successful Cities in Illinois

The career website Zippia.com released a study of Illinois communities with more than 5,000 residents and found Deerfield to be in the “10 Most Successful Cities in Illinois.” The study ranked communities based on their poverty level, median household income and the local unemployment rate.

Deerfield was listed as the ninth most successful community out of 340 Illinois communities ranked. During the time of the study, Deerfield had a population of 18,476, a median income of \$135,754, a poverty rate of 2.6 percent, and an unemployment rate of 5.8 percent.

The top ten communities, in order, were:

Winnetka
Oak Brook
Western Springs
Gilberts
Wilmette
Glencoe
Northbrook
Northfield
Deerfield
Sugar Grove

More information on the study can be found at <https://www.zippia.com/advice/most-successful-cities-in-illinois/>.
