DATE: January 4, 2018

RE: Prefiling Conference for Class A Special Use for a Proposed Massage Establishment to be located at 711 Waukegan Road (Massage Heights and Deerfield Village Centre)

The purpose of a Prefiling conference is to give the petitioner some direction, feedback and input on their proposed plans.

Subject Property

The subject property consists of the Deerfield Village Centre development at the southeast corner of Deerfield Road and Waukegan Road. The property is zoned C-1 Village Center District and was approved as a commercial Planned Unit Development (PUD). The development consists of five buildings: retail building #1 on the corner; retail building #2 along Deerfield Road (with residential above the first floor); retail building #3 which is the proposed building for the Massage Heights (including Deerfield Cyclery); and the First Midwest Bank. The setbacks, access points, lot coverage, open space, number of parking spaces, site landscaping, parking lot lighting, trash areas, and storm water management for this commercial PUD were previously approved. Ordinance O-99-34 in 1999 approved the original Deerfield Centre Planned Unit Development. Vehicular access to the development is via a signalized access point on Deerfield Road, a signalized access point on Waukegan Road, and a right in/right out access point on Waukegan Road.

Surrounding Land Use and Zoning

North: C-1 Village Center District (across Deerfield Road) – US Bank and Shoppers Court

South: C-1 Village Center District – Small strip center with dry cleaner, beauty shop and ice cream store

East: R-3 Single Family Residential – Residential

West (across Waukegan Road): C-1 Village Center District – Deerfield Square Shopping Center

Proposed Plan

The petitioner is proposing a 3,990 square foot massage establishment in Deerfield Centre at 711 Waukegan Road (former Mattress Firm / Blockbuster space). The proposed establishment will be known as Massage Heights, and will take up the entire building.

Massage Heights will offer therapeutic massage, custom facials and a small retail sales area. The petitioner's material indicate that Massage Heights is nationally recognized franchise with over 150 locations in 22 states across the United States as well as the Alberta, Calgary region of Canada. Massage Heights is a membership-based business that is always open to

the public. Offering four lifestyle programs to clients, the monthly membership includes one monthly service, depending on the lifestyle program. Membership is not mandatory. The space will consist of a reception area with customer seating, four points of sale, retail displays and file storage, 12 massage rooms (2 of the massage rooms are also used for facials), break room area, office, 3 restrooms (two accessible and one existing), and storage rooms. There are no showers. Note: The petitioner's material indicates that a multi-purpose bar in the reception area is used for Lifestyle Program explanations or retail product discussions. There is not be any alcohol on the premises.

The proposed hours of operation will be from 8 a.m. to 10 p.m. Monday thru Friday; 8 a.m. to 8 p.m. on Saturday and 9 a.m. to 9 p.m. on Sunday. According to the petitioner's material, the peak hours will be from 10 a.m. to 2 p.m. on Mondays and Fridays, 4 p.m. to 8 p.m. on Saturdays and 10 a.m. to 8 p.m on Sundays. The petitioners have indicated that most of their business is appointment based, although approximately 10% of their customers are walk-in. The maximum number of employees plus customers on the premises at one time during the peak time frame would be 25-30 people (combination of staff and clientele ranging from 13 to 16 employees with 12 to 14 clients depending on services chosen).

Village staff has asked the petitioners for a detailed written description of the proposed use at this location. In order to avoid repetition in the staff memo, please see the petitioner's written materials for more detailed information on the plans for the proposed massage establishment.

Additional Licensing Requirements

In a 2015 Prefiling Conference with the Plan Commission, a massage establishment was proposed in the C-1 Village Center District, but the petitioner did not proceed. At the 2015 meeting, Commissioner Berg asked if the Village regulated massage therapists and noted that other north shore communities may regulate massage therapists over and state requirements in the event of issues with the business. The Village passed massage establishment regulations in 1997 in the Municipal Code. In 2003, the Illinois Massage Licensing Act (attached) preempted home-rule regulations for licensing of massage therapists. No massage therapist may be employed in a massage establishment in Illinois who does not hold a current, valid license issued by the Illinois Department of Financial and Professional Regulation, as required by the Massage Licensing Act (225 ILCS 57 et seq.). Licensing for massage therapists is handled by the State and not by the Village of Deerfield Police Department.

Zoning Conformance

Massage establishments are a Class A Special Use in the C-1 Village Center District. Massage is currently offered as ancillary services at some spas in the Village. Only retail uses are allowed as Permitted Uses on the ground floor in the Village Center. Class A Special Uses located on the ground floor in the C-1 Village Center District require a Special Use, but are a Permitted Use if they are located above the ground floor in the C-1 Village Center District.

Parking

When required parking is calculated on a use-by-use basis (with no accounting for approved shared parking in the development), approximately the following number of parking spaces would be required for all the uses in Deerfield Centre:

14 spaces for Seta Salon

23 spaces for the Deerfield Cyclery (including the future small addition to the south of the building)

113 spaces for First Midwest Bank and 2nd floor office uses (including vacant space)

100 spaces for residential

21 spaces for Starbucks

56 spaces for Bobbys Restaurant

38 spaces for Chipotle Restaurant

10 spaces for Kidsnips hair salon

154 spaces for other retail and services uses

529 spaces total (450 spaces total with a 15% reduction)

At the time the Deerfield Centre Planned Unit Development was approved, parking for the development was approved at 5 per 1,000 square feet of gross floor area for retail (i.e., 1 parking space per 200 square feet of floor area) and 4 per 1,000 square feet of gross floor area for office (i.e., parking space per 250 square feet of floor area) with a 15% reduction for storage areas in the buildings. With a 15% reduction for storage areas, a total of 405 parking spaces were required by code for the subject property, which was determined as follows:

Retail:

44,776 s.f. x .85 = 38,059.6/200 = 190.29 spaces

Deerfield Cyclery: 3,572 s.f. x .85 = 3,036.2/200 = 15.18 spaces

Future Deerfield Cyclery addition: 972 s.f. x .85 = 826.2/200 = 4.13 spaces

Total Retail: 209.6 spaces

Office:

20,286 s.f. x .85 = 17,243.1/250 = 68.97 spaces

Bank: 7,652 x .85 = 6,504.2/250 = 26.01 spaces

Total Office: 94.98 spaces

Residential (56 total apartment units):

24 (one bedroom) x 1.5 = 36 spaces

32 (two bedroom) x 1.5 = 64 spaces

Total Residential: 100 spaces

Total:

209.6 (retail) + 94.98 (office) + 100 (residential) = 404.45 = 405 spaces required based on retail, office, and residential uses with a 15% reduction in square footage for storage areas within the building in the development.

The previously approved 1999 site plan provided a total of 371 parking spaces on the subject property (279 at grade spaces for the commercial uses and 92 indoor spaces for the apartments for a total of 371 spaces for the development). The Deerfield Centre development was short 34 spaces when it was approved (405 spaces required - 371 spaces provided = 34 spaces short). Of the 34 spaces short in the Deerfield Centre development, 26 spaces were in the commercial portion of the development and 8 spaces were in the residential portion of the development.

At the time this development was approved, Ordinance O-99-34 granted a parking variation to allow for 371 spaces. The variation was a reduction in the amount of required parking to reflect the varying peak hour demands for the different uses in the development. In other words, when Deerfield Centre was approved, the various uses in the development were to share parking. The amount of parking for the different mix of uses in the development will vary throughout the day as the different uses in the development will have varying peak hour demands.

As part of this Special Use petition (and any Special Use), the petitioners must demonstrate that parking will be adequate. A Shared Parking Analysis dated December 20, 2017 from Walker Consultants was undertaken and is provided in the petitioner's material. Walker Consultants conducted inventory and occupancy counts of the surface parking lot intended to serve the Deerfield Village Centre on Friday, November 17, 2017. The table noting current and future parking spaces on page 5, indicates approximately 256 surface parking exists on the site with approximately 196 spaces designated for customer use. As of December 1, 2017, a new office tenant will occupy additional office space and Deerfield Village Centre will designate 10 bank spaces and 20 customer spaces to the office use during the hours of 9:00am-5:00pm. These parking spaces are noted in the future spaces column on page 5 of the report and the location of the designated parking is depicted in Figure 1 on page 3 of the study.

Weekday peak-hour occupancy counts were taken on Wednesday, November 1, 2017 at 12:00pm and summarized in the Occupancy table toward the bottom of page 5. Data representing the peak hour of the year was compared to the total number of cars parked to project an approximate "parking demand ratio" for each land use. Table 2 on page 6 illustrates the base parking demand ratios. Table 5 on page 10 notes the shared parking demand during *weekday* peak-hour once Massage Heights is operational is approximately 217 parking spaces or 61% of the unadjusted parking demand of all of the uses in the centre. Table 6 on page 11 indicates the shared parking demand during *weekend* peak-hour is approximately 181 parking spaces or 54% of the unadjusted parking demand of the uses in the centre. The study concludes that the current parking supply at Deerfield Village Centre should adequately accommodate the peak-hour parking projection once Massage Heights is operational.

Signage

The petitioners have provided a rendering of their wall signs in their packet. The petitioner's material indicate a wall sign on the north and west elevations as well as a third wall sign above the entrance canopy. The sign criteria for Deerfield Village Centre allows sign letters to be a maximum of 24 inches in height and a maximum length of 80% of the store frontage. The petitioners have indicated that the north wall sign will be approximately 24 inches in height and 26 feet 10 inches in length (53.66 s.f. in area) and contain the text "Massage Heights body+face" with a logo. The west wall sign will be approximately 24 inches in height and 6 feet, 11 inches in length (13.83 s.f. in area) and contain the same text and logo. Both the north and the west wall signs comply with the Deerfield Village Centre sign criteria and Zoning Ordinance.

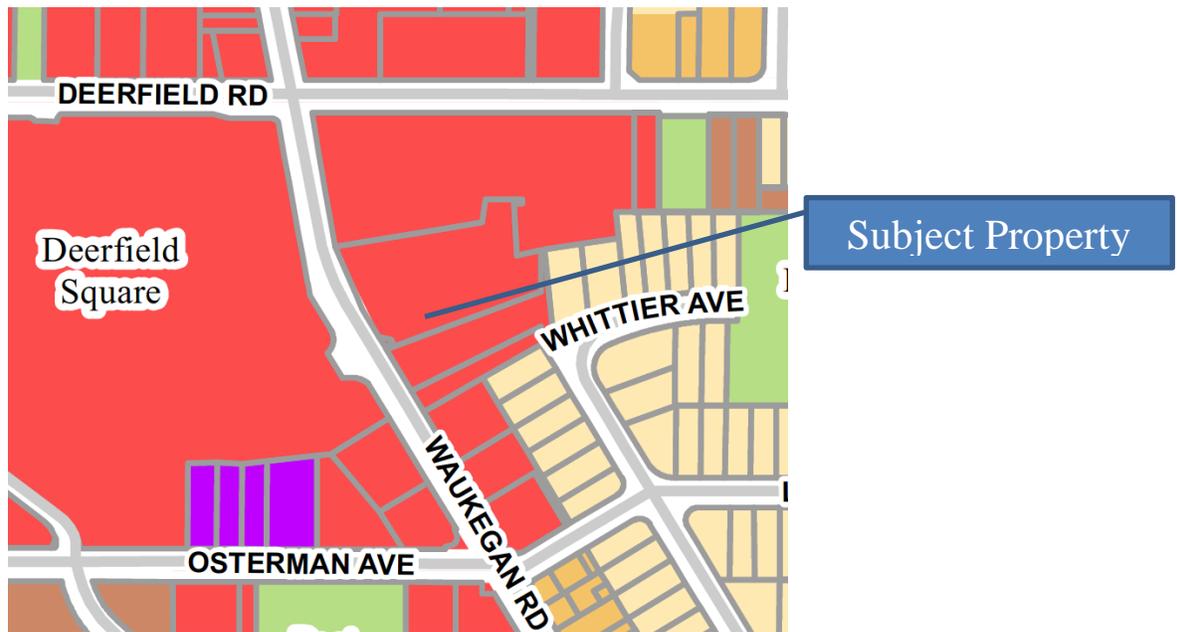

The petitioner is requesting a 24-inch high by 10 feet long (10 s.f. in area) wall sign on the metal panel above the entrance canopy on the corner of the building, facing the intersection at Waukegan Road. The wall sign will contain the wording "Massage Heights body+face" with a logo. A tenant sign is allowed by the sign criteria to be mounted at the face of the steel canopy above the front door facing the intersection at Waukegan Road. The wall (front) signage is restricted to a maximum height of 24 inches and 10 feet in length. This wall sign will need an exception to the sign criteria for its placement on the panel above the entrance canopy (instead of mounted at the face of the steel canopy) and it is above the roof deck. The Appearance Review Commission can grant a variation for a wall sign to be up to 3' above the roof deck.

The petitioners will also have to follow the window signage regulations, which indicate that permanent and temporary signage in a window sign cannot be more than 20 percent of the area of the window or 50 square feet, whichever is less. The window sign regulations apply to window signage located within 4 feet of a window. The petitioner's material indicate that the north windows will be opaque. The Village's window sign regulations note that in order to opaque and cover an entire window, a request must be made to the Appearance Review Commission. If there are unsightly views, such as into a storage room or supplies stacked in a window this must be addressed by either relocating the items or covering the window with a neutral colored drape or blind.

Appearance Review Commission

The ARC will have to review and approve the exterior changes for the proposed Massage Heights if the Board of Trustees approves the proposed use in this location.

(9) knowingly delegating professional responsibilities to a person unqualified by training, experience, or licensure to perform;

(10) failing to provide information in response to a written request made by the Department within 60 days;

(11) having a habitual or excessive use of or addiction to alcohol, narcotics, stimulants, or any other chemical agent or drug which results in the inability to practice with reasonable judgment, skill, or safety;

(12) having a pattern of practice or other behavior that demonstrates incapacity or incompetence to practice under this Act;

(13) discipline by another state, District of Columbia, territory, or foreign nation, if at least one of the grounds for the discipline is the same or substantially equivalent to those set forth in this Section;

(14) a finding by the Department that the licensee,

after having his or her license placed on probationary status, has violated the terms of probation;

(15) willfully making or filing false records or reports in his or her practice, including, but not limited to, false records filed with State agencies or departments;

(16) making a material misstatement in furnishing information to the Department or otherwise making misleading, deceptive, untrue, or fraudulent representations in violation of this Act or otherwise in the practice of the profession;

(17) fraud or misrepresentation in applying for or procuring a license under this Act or in connection with applying for renewal of a license under this Act;

(18) inability to practice the profession with reasonable judgment, skill, or safety as a result of physical illness, including, but not limited to, deterioration through the aging process, loss of motor skill, or a mental illness or disability;

(19) charging for professional services not rendered, including filing false statements for the collection of fees for which services are not rendered;

(20) practicing under a false or, except as provided by law, an assumed name; or

(21) cheating on or attempting to subvert the licensing examination administered under this Act.

All fines shall be paid within 60 days of the effective date of the order imposing the fine.

(b) A person not licensed under this Act and engaged in the business of offering massage therapy services through others, shall not aid, abet, assist, procure, advise, employ, or contract with any unlicensed person to practice massage therapy contrary to any rules or provisions of this Act. A person violating this subsection (b) shall be treated as a licensee for the purposes of disciplinary action under this Section and shall be subject to cease and desist orders as provided in Section 90 of this Act.

(c) The Department shall revoke any license issued under this Act of any person who is convicted of prostitution, rape, sexual misconduct, or any crime that subjects the licensee to compliance with the requirements of the Sex Offender Registration Act and any such conviction shall operate as a permanent bar in the State of Illinois to practice as a massage therapist.

(d) The Department may refuse to issue or may suspend the license of any person who fails to file a tax return, to pay the tax, penalty, or interest shown in a filed tax return, or to pay any final assessment of tax, penalty, or interest, as required by any tax Act administered by the Illinois Department of Revenue, until such time as the requirements of the tax Act are satisfied in accordance with subsection (g) of Section 2105-15 of the Civil Administrative Code of Illinois.

(e) The Department shall deny a license or renewal authorized by this Act to a person who has defaulted on an educational loan or scholarship provided or guaranteed by the Illinois Student Assistance Commission or any governmental agency of this State in accordance with item (5) of subsection

(a) of Section 2105-15 of the Civil Administrative Code of Illinois.

(f) In cases where the Department of Healthcare and Family Services has previously determined that a licensee or a potential licensee is more than 30 days delinquent in the payment of child support and has subsequently certified the delinquency to the Department, the Department may refuse to issue or renew or may revoke or suspend that person's license or may take other disciplinary action against that person based solely upon the certification of delinquency made by the Department of Healthcare and Family Services in accordance with item (5) of subsection (a) of Section 2105-15 of the Civil Administrative Code of Illinois.

(g) The determination by a circuit court that a licensee is subject to involuntary admission or judicial admission, as provided in the Mental Health and Developmental Disabilities Code, operates as an automatic suspension. The suspension will end only upon a finding by a court that the patient is no longer subject to involuntary admission or judicial admission and the issuance of a court order so finding and discharging the patient.

(h) In enforcing this Act, the Department or Board, upon a showing of a possible violation, may compel an individual licensed to practice under this Act, or who has applied for licensure under this Act, to submit to a mental or physical examination, or both, as required by and at the expense of the Department. The Department or Board may order the examining physician to present testimony concerning the mental or physical examination of the licensee or applicant. No information shall be excluded by reason of any common law or statutory privilege relating to communications between the licensee or applicant and the examining physician. The examining physicians shall be specifically designated by the Board or Department. The individual to be examined may have, at his or her own expense, another physician of his or her choice present during all aspects of this examination. The examination shall be performed by a physician licensed to practice medicine in all its branches. Failure of an individual to submit to a mental or physical examination, when directed, shall result in an automatic suspension without hearing.

A person holding a license under this Act or who has applied for a license under this Act who, because of a physical or mental illness or disability, including, but not limited to, deterioration through the aging process or loss of motor skill, is unable to practice the profession with reasonable judgment, skill, or safety, may be required by the Department to submit to care, counseling, or treatment by physicians approved or designated by the Department as a condition, term, or restriction for continued, reinstated, or renewed licensure to practice. Submission to care, counseling, or treatment as required by the Department shall not be considered discipline of a license. If the licensee refuses to enter into a care, counseling, or treatment agreement or fails to abide by the terms of the agreement, the Department may file a complaint to revoke, suspend, or otherwise discipline the license of the individual. The Secretary may order the

license suspended immediately, pending a hearing by the Department. Fines shall not be assessed in disciplinary actions involving physical or mental illness or impairment.

In instances in which the Secretary immediately suspends a person's license under this Section, a hearing on that person's license must be convened by the Department within 15 days after the suspension and completed without appreciable delay. The Department and Board shall have the authority to review the subject individual's record of treatment and counseling regarding the impairment to the extent permitted by applicable federal statutes and regulations safeguarding the confidentiality of medical records.

An individual licensed under this Act and affected under this Section shall be afforded an opportunity to demonstrate to the Department or Board that he or she can resume practice in compliance with acceptable and prevailing standards under the provisions of his or her license.

Licensees must provide proof of completion of 24 hours approved continuing education to renew their license.

If the massage therapist has not maintained an active practice in another jurisdiction satisfactory to the Department, the Board shall determine, by an evaluation program established by rule his or her fitness to resume active status and may require the massage therapist to complete a period of evaluated clinical experience and may require successful completion of an examination.

A massage therapist whose license has been expired or placed on inactive status for more than 5 years may have his or her license restored by making application to the Department and filing proof acceptable to the Department of his or her fitness to have his or her license restored, including sworn evidence certifying to active practice in

Sec. 90. Violations; injunction; cease and desist order.

(a) If any person violates a provision of this Act, the Secretary may, in the name of the People of the State of Illinois, through the Attorney General of the State of Illinois or the State's Attorney in the county in which the offense occurs, petition for an order enjoining the violation or for an order enforcing compliance with this Act. Upon the filing of a verified petition in court, the court may issue a temporary restraining order, without notice or bond, and may preliminarily and permanently enjoin the violation. If it is established that the person has violated or is violating the injunction, the court may punish the offender for contempt of court. Proceedings under this Section shall be in addition to, and not in lieu of, all other remedies and penalties provided by this Act.

(b) If any person practices as a massage therapist or holds himself or herself out as a massage therapist without being licensed under the provisions of this Act, then the Secretary, any licensed massage therapist, any interested party, or any person injured thereby may petition for relief as provided in subsection (a) of this Section or may apply to the circuit court of the county in which the violation or some part thereof occurred, or in which the person complained of has his or her principal place of business or resides, to prevent the violation. The court has jurisdiction to enforce obedience by injunction or by other process restricting the person complained of from further violation and enjoining upon him or her obedience.

(c) Whenever, in the opinion of the Department, a person violates any provision of this Act, the Department may issue a rule to show cause why an order to cease and desist should not be entered against him or her. The Department shall, before refusing to issue or renew a license or to discipline a licensee under Section 45, at least 30 days prior to the date set for the hearing, (i) notify the accused in writing of the charges made and the time and place for the hearing on the charges, (ii) direct him or her to file a written answer with the Department under oath within 20 days after the service of the notice, and (iii) inform the applicant or licensee that failure to file an answer will result in a default judgment being entered against the applicant or licensee. At the time

and place fixed in the notice, the Department shall proceed to hear the charges and the parties of their counsel shall be accorded ample opportunity to present any pertinent statements, testimony, evidence, and arguments. The Department may continue the hearing from time to time. In case the person, after receiving the notice, fails to file an answer, his or her license may, in the discretion of the Department, be revoked, suspended, placed on probationary status, or the Department may take whatever disciplinary actions considered proper, including limiting the scope, nature, or extent of the person's practice or the imposition of a fine, without a hearing, if the act or acts charged constitute sufficient grounds for that action under the Act. The finding is not admissible in evidence against the person in a criminal prosecution brought for the violation of this Act, but the hearing and finding are not a bar to a criminal prosecution brought for the violation of this Act.
