

E-Waste Event

An event presented by the Walgreen Environmental Sustainability Network in partnership with
Arlington Computer Products

Did you know that we generate around 40 million tons of electronic waste every year, worldwide?

Recycle your electronic waste free of charge at one of the below locations on

APRIL 19 | 7AM – 1PM

 **200 WILMOT RD** 

Accepted Items Include: Personal Computers, Tablets, Electronic Keyboards, Mice, Small Scale Servers, Printers, Scanners, Copiers, Fax Machines, Digital Converter Boxes, Cable and Satellite receivers, DVRs, DVD Players, VCRs, Cell Phones, Digital Music Players, Stereos, Radios, Speakers, Small Household Appliances, Video Game Consoles, Holiday Lights, Batteries (NiCAD, Lithium Ion) and more!

Items NOT Accepted: Cathode Ray Tube (CRT) Televisions (the old big box televisions) cannot be recycled at this event, CRT Monitors, Broken Glass, Air Conditioners, Microwaves, Large Household Appliances, Lead Acid Batteries, Electric Fixtures, CL Bulbs, Light-bulbs of any type.
