FACE MASK MANDATES LIFTED AS COVID-19 CASES DECLINE

As a result of the continued decrease in COVID-19 cases and hospitalizations, and the increase in available ICU beds, the Illinois indoor mask requirement ended Monday, February 28. Deerfield is following the State guidance and no longer requires masks in most indoor settings, including at Village Hall.

Masks will still be required where federally mandated: including on public transit, health care facilities, congregate settings, and long term care facilities. Additionally, private businesses may choose to implement their own masking requirements.

Residents should also keep a mask with them, as they may encounter businesses or circumstances where a mask is required.

Residents are encouraged to stay up-to-date on vaccines to protect themselves, the elderly, the young, and the immunocompromised. More than 8 million people in Illinois are fully vaccinated with an average of approximately 16,000 COVID-19 vaccines administered each day.

Vaccines continue to be readily available at pharmacies across the state, many local health departments, doctor offices, federally qualified health centers, and other locations. To find a COVID-19 vaccination location near you, go to www.vaccines.gov.

With more restrictions lifted, please remember to shop local whenever possible. Deerfield business owners have worked hard the past two years during COVID-19 restrictions while still providing top-notch goods and services.

PUBLIC WORKS OPEN HOUSE - SATURDAY, MAY 21

Join the Village of Deerfield and Deerfield Park District from 10 a.m.-1 p.m. on Saturday, May 21, for a kid and adult friendly Open House at Deerfield's Public Works Facility, 465 Elm Street. Parking is available at the Patty Turner Center, 375 Elm Street.

This event is free for all ages and will feature:

- Tours & Exhibits
- Fun Giveaways
- Hands-On Activities
- Vehicles & Equipment
- Prizes
- Vendors & Education
- Public Works Merchandise

For more information, contact the Public Works Department at 847.317.7245. ☎

WATER METER HEAD REPLACEMENT PROGRAM

This spring, Village contractor United Meters Inc. (UMI) will be replacing water meter heads in most parts of the Village.

Continued on Page 2

MEETING SCHEDULE

Meeting times/dates subject to change.
For a complete list of meetings visit, www.deerfield.il.us

March

Board of Trustees

March 7 & 21, 7:30 p.m.

Community Relations Commission

March 8, 6:00 p.m.

Plan Commission

March 10 & 24, 7:30 p.m.

Appearance Review Commission

March 28, 7:30 p.m.

WATER METERS

Continued from Page 1

The Public Works department began installing updated Orion radio frequency water meter heads in 2001. At this time, many of the meter heads have now reached the end of their useful lifecycle and need replacement.

In 2021, all meter heads in the Northwest quadrant were replaced. This year, the work will focus on the Northeast, Southeast and Southwest quadrants.

Water meters are made up of two separate parts – the brass water meter body and the radio frequency meter head. Water flows through the meter body, which sends the reading to the meter head using a magnet. The meter head then transmits the data to the Village via radio frequency. As part of the upcoming project, only the meter head will be replaced.

As part of the competitive bidding process, the Village hired UMI to perform the work.

In early April, impacted residents will receive a letter from UMI to schedule an

appointment. Residents will schedule an appointment directly with UMI, who will dispatch licensed plumbers to complete the work.

All UMI employees will wear a face mask and follow social distancing guidelines as part of the installation.

Depending upon the location of your water meter, UMI may need to enter your home to complete the meter head replacement. Please ensure that the plumber has direct access to the meter before your appointment.

Replacements are tentatively scheduled to begin in late April. The meter head replacement should take 30 minutes or less and your water may need to be turned off during that time by the licensed plumbers, if needed.

Residents owning an irrigation system deduct meter, will also benefit from replacement of the irrigation meter head.

For more information, contact Justin Keenan, Assistant to the Village Manager at 847.719.7462 or jkeenan@deerfield.il.us.

EARTH HOUR 2022

Join the Village and celebrate Earth Hour on Saturday, March 26, by turning off all non-essential lights from 8:30-9:30 p.m.

Fun ways to celebrate include hosting a candle light dinner, stargazing or camping. Visit Earthhour.org for additional information including an interactive map.

EARTH DAY 2022

With Earth Day right around the corner on Friday, April 22, it's time to start thinking about ways Deerfield residents can continue to promote and be leaders of sustainable and environmentally friendly growth in our community. The Earth Day 2022 theme is Invest In Our Planet.

The Earth Day Network is currently focusing on ways to protect our endangered species. Earth Day Network's mission is to diversify, educate and activate the environmental movement worldwide. Growing out of the first Earth Day, Earth Day Network is the world's largest recruiter to the environmental movement, with more than 50,000 partners in nearly 195 countries to build environmental democracy.

More than 1 billion people now participate in Earth Day activities each year, making it the largest civic observance in the world. Visit earthday.org for more information.

ARBOR DAY 2022

In celebration of Arbor Day on Friday, April 29, the Sustainability Commission and the Deerfield High School Earth Works Club will plant a tree in the parkway of the High School. The Village will also partner with District 109 for a tree planting event with students and Village officials.

The Village urges all citizens to celebrate Arbor Day and to support efforts to protect our trees and woodlands. Visit Arborday.org for more information about planting and caring for trees. ∞

SPECIAL CONCERNS PROGRAM

April is Autism Acceptance Month. The prevalence of autism in the United States has risen from 1 in 125 children in 2010, to 1 in 59 children in 2020; the need for awareness, promoting acceptance and being more inclusive in everyday life is critical.

The Deerfield Police Department is encouraging residents to enroll themselves or a loved one in our Special Concerns Program. The program was designed to capture helpful details about someone's autism spectrum disorder, mental health issue or other safety concerns that would be helpful for emergency responders.

The confidential form captures a current photo as well as tips and remedies to share to ensure the safety of everyone involved during an emergency.

Contact Telecommunicator Candace Hill for details or to enroll at 847.945.8636 or email: chill@deerfield.il.us.

HELP GIVE OUR VETERANS AN EGG-CELLENT EASTER

The Deerfield Police Department will be collecting Easter well wishes for local veterans. Items include cards, notes and sweet treats. Please drop off any donations by April 14 at the Deerfield Police Department, 850 Waukegan Road.

Remind our veterans they are some-bunny special to all of us and how we are so grateful for their sacrifice and service.

For more information, contact Police Communications Director Mary Anne Glowacz at 847.945.8636 or mglowacz@deerfield.il.us.

IRS PHONE SCAMS

The IRS is warning consumers to guard against scam phone calls from thieves intent on stealing their money or their identity. Criminals pose as the IRS to trick victims out of their money or personal information.

The IRS will not:

- call you to demand immediate payment;
- require that you pay your taxes with a prepaid credit/gift card;
- ask for your credit or debit card numbers over the phone; or
- threaten to bring in police or other agencies to arrest you for not paying.

If you don't owe taxes and have no reason to think that you do, do not give out any information and hang up immediately. If you suspect you are the victim of a scam, call the Police at 847.945.8636. For more information on common scams, your rights and obligations, visit IRS.gov.

NATIONAL TELECOMMUNICATORS WEEK - APRIL 10-16

Each year, the second full week of April is dedicated to the men and women who serve as Telecommunication Officers. In October 1991, Congress made a formal proclamation to recognize this week as National Telecommunicators Week.

Deerfield has eight full-time and six part-time Telecommunicators who serve as an indispensable link between the officers and the public, as well as a vital support service in the public safety community. They provide radio, telephone and dispatch services with dedication and professionalism.

The Village will celebrate the week by issuing a proclamation from Mayor Shapiro and the Village Board.

For more information, contact Police Communications Director Mary Anne Glowacz at 847.945.8636 or mglowacz@deerfield.il.us.

SCOOTER, BIKE AND PEDESTRIAN SAFETY

Scooters, bikes, in-line skates and skateboards are associated with numerous injuries yearly. Here are some safety tips for

you and your family to enjoy them safely:

- Wear a comfortable, properly fitted helmet bearing the label of an independent testing lab. Be sure that the helmet sits level on top of the head—not rocking in any direction—and always fasten the safety strap.
- Be sure that safety gear (wrist, elbow and kneepads) fits properly and does not interfere with the rider's movement, vision or hearing. Wrist pads are not recommended for scooter riders as they may affect their ability to maneuver.
- Ride scooters and bikes only on smooth, paved surfaces and only ride during daylight hours.
- Learn the proper hand signals and use them when you turn or stop.
- Come to a complete stop before entering driveways, paths or sidewalks, then look left, right and left again for bikes, cars or pedestrians.

HIDE, LOCK, TAKE!

The Village of Deerfield and neighboring communities have experienced an increase in reports of burglary to motor vehicles. In most cases these crimes are committed in unlocked vehicles. Car burglaries are crimes of opportunity and failing to lock your vehicle makes it a target for thieves. A vehicle can be burglarized or stolen while on your street, in your driveway, or in a parking lot—even if it is only unattended for a short time. Every time you exit your vehicle, remember to Hide, Lock, Take:

1. Hide (or remove) your valuables
2. Lock your car doors
3. Take your keys

Other safety precautions include keeping the car windows closed, removing the garage door opener from your vehicle and keeping your garage door closed.

If you see something, say something. Remain vigilant and report any suspicious people, vehicles or circumstances to the Police at 9-1-1 or 847.945.8636.

PUBLICWORKS

FIRE HYDRANT FLUSHING

During the week of April 25, the Public Works Department will begin flushing all fire hydrants within the Village.

Opening fire hydrants and flushing out water on an annual basis allows Public Works to ensure that hydrants are in proper working condition to protect your property and helps to flush sediment out of the distribution system.

Signs will be posted in each area before flushing begins. The work is typically performed between 7:30 a.m. and 3:30 p.m., Monday through Friday, and takes approximately two weeks to be completed for the entire Village.

Do not do laundry on the day hydrants are flushed in your area. Flushing may stir up rust that can enter washing machines and cause discoloration to certain types of clothing. Additionally, there may be discoloration in the water coming from the faucets in your home after hydrant flushing is complete in your area. It is recommended that residents flush water from their interior system through a tub spout for a few minutes to clear out sediment. Please note that the water from the tap is safe to drink at all times.

Contact the Public Works Water Department at 847.317.7245 for more information. ~

UNDERGROUND SPRINKLER & FIRE SUPPRESSION SYSTEM TESTING

To protect the drinking water supply, the Village would like to remind residents that all irrigation systems are required to have a backflow prevention device. This equipment is also known as a Reduced Pressure Zone device (RPZ). The device must be certified and tested annually by a licensed inspector prior to the system going into service.

The Village has contracted with Backflow Solutions, Inc. (BSI) to administer the RPZ tracking program. The annual backflow

assembly test report must be submitted electronically, by your certified inspector, via the BSI Online system at www.bsonlinetracking.com by June 30.

For more information, contact Public Works at 847.317.7245 or visit www.deerfield.il.us. ~

PROTECTING WATER QUALITY

It is important to remember that the Village storm sewer drains and roadside ditches lead to our nearby lakes and creeks. So, any oil, pet waste, leaves, landscaping debris or dirty water from outside activities that enter a storm drain end up in our lakes and streams.

Never dump oil, chemicals, soapy water, grass clippings or anything besides clean water down the storm sewer drain. By keeping waste and hazardous materials out of storm sewer drains, you are helping reduce flooding and pollution in our local waterways. Some permitted discharges and ways to reduce water pollution are below.

The following discharges are permitted:

- Discharges from potable water sources (fire hydrant flushing)
- Irrigation water
- Foundation drains, pumped ground water, and water from crawl spaces
- De-chlorinated and pH neutral swimming pool discharges

The following are common ways to help reduce water pollution:

- Clean up after pets
 - Sweep up grass clippings, soil and fertilizer from driveways, sidewalks and streets
 - Use lawn chemicals sparingly
 - Properly store and dispose of household cleaners, chemicals and oil
- ~

TREE CITY USA

The Village of Deerfield has been named a Tree City USA community by the Arbor Day Foundation for the 11th consecutive year. To earn this award, a municipality

must have a forestry program with an annual budget of at least \$2 per capita.

In 2020, the Village spent nearly \$100,000 on tree planting and maintenance. This includes planting dozens of trees and completing the annual tree trimming program. ~

COAL TAR PAVEMENT SEALANTS PROHIBITED IN DEERFIELD

In 2018, the Deerfield Village Board approved an ordinance that bans the use and sale of coal tar pavement sealants and regulates the licensing of pavement sealant professionals.

Pavement sealant professionals are required to fill out a license application with the Village and must display a decal on their vehicles. This license must be renewed annually in the amount of \$100.

Homeowners who sealcoat their own driveways do not need a license but are prohibited from using coal-tar-based sealants. Home Depot and other retailers do not sell coal tar sealants.

For more information or to fill out a Pavement Sealant Professional License application, visit www.deerfield.il.us or contact the Community Development Department at 847.719.7484 or communitydevelopment@deerfield.il.us. ~

SAVE THE DATE: FREE RESIDENTIAL SHREDDING EVENT APRIL 23

The Village and Lakeshore Recycling will host a free residential paper shredding event on Saturday, April 23, at the Public Works facility, 465 Elm Street. Watch the Village's website and social media for details closer to the date.

For more information, contact Communications Coordinator David Fitzgerald-Sullivan at 847.719.7400 or dfitzgerald@deerfield.il.us. ~

The following is a synopsis of actions taken by the Village Board since the last issue of D-Tales. For complete sets of minutes from Village Board meetings or to watch recorded meetings on-demand, please visit the Village's website at www.deerfield.il.us.

VILLAGE BOARD ACTION

- Approved an Ordinance amending the Municipal Code regarding the creation of a business façade rebate program
- Approved a Resolution authorizing bulk rock salt purchase from Morton Salt through the Illinois Department of Central Management Services and Lake County
- Approved a Resolution approving the regular meeting schedule of the Board of Trustees for calendar year 2022
- Approved a Resolution approving Phase III Engineering services contract
- Approved a Resolution to purchase a 5-ton salt truck
- Approved a Resolution authorizing the Village to participate in the national opioid settlements
- Approved an Ordinance amending The Municipal Code regarding ethics regulations
- Approved an Ordinance authorizing approval of an educational music and dance studio facility special use in Cadwell's Corners
- Approved an Ordinance approving an amendment to a special use to expand Kay Foot Spa at 671 Waukegan Road
- Approved an Ordinance amending the Municipal Code to adopt the 2021 edition of the International Energy Conservation Code
- Approved a Resolution authorizing the release of minutes of certain closed meetings of the Village Board
- Approved a Resolution to award water meter head replacement contract
- Approved a Resolution to award water meter engineering contract
- Approved a Resolution to purchase water meter equipment
- Approved a Resolution to purchase water meters from Midwest Meters
- Approved an Ordinance amending the Village of Deerfield wage and salary plan
- Approved a Resolution to award sanitary sewer lining contract
- Approved a Resolution to award storm sewer lining contract
- Approved an Ordinance increasing the number of Class I liquor licenses by one for Eurest Dining Services, concessionaire for Horizon Therapeutics at 1 Horizon Way
- Approved a Resolution approving an intergovernmental agreement between the Village and the Illinois Department of Transportation
- Approved a Resolution approving a first amendment to a development agreement (658, 662, 702 Elm Street)
- Approved an Ordinance authorizing an Amendment to a special use for Township High School District 113 to permit an addition, renovations, and site improvements to Deerfield High School
- Approved a Resolution authorizing a crossing guard agreement with School District 109
- Approved a Resolution authorizing an agreement with Family Services of Lake County
- Approved a Resolution to award the monopole painting engineering contract

COMMUNITYCALENDAR

DEERFIELD PARK DISTRICT

Summer Camps & Jobs

Apply online NOW for Summer Jobs including lifeguards, camp staff and golf course staff at deerfieldparks.org/jobs.

Program Registration

Spring Program, New Participant Before & After School Club 2022-2023 school year registration and Summer Pool Pass Sales begin March 7 for residents. Non-resident Spring Program Registration begins March 14. Visit deerfieldparks.org to view the online guide of classes and events!

Summer Camp Registration

Visit deerfieldparks.org/summer-camps to find a camp to fill your child's summer with exciting adventures!

Sachs Recreation Center Community

Days are April 18-22. Come visit the facility for tours, give-aways and more! Visit our calendar of events for more

details deerfieldparks.org/events.

Shelter Permits go on sale March 1 for residents and April 1 for non-residents. Visit deerfieldparks.org for more information and to rent a shelter.

Become a member at the **Patty Turner Center** today, a place where adults 50+ participate in a wide variety of in-person and virtual classes and events. Visit pattyturnercenter.org or call 847-940-4010 for more information!

Remaining **permanent tee times** for the 2022 season at Deerfield Golf Club are available at deerfieldgolf.org.

For more information or to register for Park District programs, call 847.945.0650, or visit www.deerfieldparks.org.

DEERFIELD PUBLIC LIBRARY

All Library programs are free and open to the public. Register in advance by phone

at 847.945.3311, online at deerfieldlibrary.org, or in person at 920 Waukegan Rd. Online program description notes program platform (online, in-person, or hybrid).

All Ages Storytime

March 7, 14, 28; April 4, 11, 18, 10-10:30 a.m.

Join us on Zoom each Monday for storytime.

Stephen Sondheim: An Appreciation & Discussion

March 10, 7-8:15 p.m.

We'll discuss Sondheim's work for the American Musical as literature. Register to get a list of songs we'll discuss.

Book Discussion: Kim Jiyoung, Born 1982 by Cho Nam-Joo

March 21, 7:30-8:30 p.m.

Copies will be available one month in advance.

The Migration of Monarchs

March 23, 6:30-8 p.m.

Find out about Monarch butterfly migration of the northeast and Canada.

Chicago's Mysterious Lakefront Rock Carvings

April 7, 6:30-7:30 p.m.

Learn about the carvings in the limestone revetments that line much of the lakeshore.

Making Change: A History of LGBTQ+ Activism

April 14, 7-8 p.m.

Trace the history of LGBTQ+ activism from its start in the 1950s to the early 21st century.

The Immigrant Experience on Film

April 27, 6:30-7:30 p.m.

Enjoy film clips that highlight the extraordinary courage of immigrants from many corners of the world.

FARMERS MARKET CIVIC GROUPS RETURN

Calling all Deerfield-based nonprofit organizations. Are you looking for an opportunity to educate our local community about your mission? The Deerfield Farmers Market is the perfect community gathering spot to do so!

The Deerfield Farmers Market Committee invites you to submit an application to host a civic booth at the market this season. The 2022 Farmers Market Season runs from June 11 through October 15. Please note that participation is determined on a first-come, first-serve basis, with one nonprofit organization scheduled per market. Farmers Market civic applications are now available online at www.deerfield.il.us/301/Farmers-Market. The application deadline is Friday, April 22.

For more information, contact Management Analyst Mary Glowacz at mglowacz@deerfield.il.us or 847.719.7436.

MONTHLY MEMORY CAFE ON FIRST WEDNESDAYS

The Memory Café is a place for persons who are experiencing memory changes and their care partners to gather for connection and conversation while enjoying themed activities.

The meetings are held the first Wednesday of every month from 10:00 - 11:30 a.m. at the Deerfield Public Library, 920 Waukegan Road.

Please note that COVID-19 safety precautions will be in place. Space is limited, register today.

For more information and to register contact Judy Hoffman at the Deerfield Public Library at jhoffman@deerfieldlibrary.org or call 847.580.8954.

green Up Deerfield

MAKE YOUR YARD AN OASIS FOR MIGRATORY BIRDS

Each spring from March to June, birds of every kind make their way from their winter homes in the south to their summer breeding grounds in places as far north as the Arctic. Along the way they encounter a myriad of perils - storms, limited food supplies, and exhaustion. Compounding these natural threats are a myriad of additional ones created by humans, including the bright lights and tall structures of cities, prowling domestic pets and toxic lawns.

Fortunately, people can help ensure a safer journey for migrating birds this spring by following these simple steps:

- Turn off lights at night: Birds become disoriented by artificial light, which often results in fatal collisions with buildings, homes, and other structures. To prevent this, turn off exterior and interior lights as much as possible each night during the peak migration period of April-June.
- Prevent window collisions: Many birds strike windows after being startled off a feeder, seeing escape routes mirrored in reflective glass. To avoid this, reduce reflectivity with light-colored shades, blinds, or drapes; place netting or a screen in front of the window. Place bird feeders farther from windows – at 3 feet birds do not have enough distance to reach a high speed and are therefore less likely to get injured in a collision.
- Keep cats indoors: It is estimated that cats kill more than a billion birds each year. Keeping cats indoors helps keep the birds outdoors safe, and it also reduces risks to cats, especially from injuries and disease.
- Eliminate pesticides: Use the least toxic alternatives for combating pests.
- Keep feeders stocked and clean: Birds will need places to rest and refuel, so make sure that your yard includes native plants and your bird feeders are well-stocked. Along with feeders and native plants, provide a source of fresh water for the thirsty travelers.

For more information on how to keep birds safe, visit the Audubon At Home website at www.audubonathome.org and go to the "Keeping Wildlife Safe" link on the left-hand side of the page.

GO GREEN: GET YOUR THIRD CART TO THE CURB

VILLAGE OF DEERFIELD

DEERFIELD FLOOD INFORMATION:

FLOODPLAIN PERMIT REQUIREMENTS

All developments within the 100-year floodplain (not just construction of buildings, but filling, excavation, fences, etc.) are required to undergo a formal review by the Engineering Department. Approval must be granted prior to doing any work in a floodplain area. Please contact the Engineering Department at 847.317.2490 to receive all the information you will need in order to properly develop in the floodplain.

SUBSTANTIAL IMPROVEMENT/DAMAGE

The National Flood Insurance Program (NFIP) requires that if the cost of improvements to a building in a floodplain or the cost to repair damages (from any cause) to a building in a floodplain exceeds 50 percent of the market value of the building (excluding land value), the entire building must be brought up to current floodplain management standards. Building improvement projects include exterior and interior remodeling, rehabilitation, additions and repair and reconstruction projects.

Additionally, the cost of currently planned improvements will be added to the cost of previously made improvements and compared to the existing market value to determine if the improvements exceed 50 percent of the structure's value. Please contact the Engineering Department at 847.317.2490 for further information.

FLOOD INSURANCE

If you do not have flood insurance, talk to your insurance agent. Most homeowners' insurance policies do not cover damage from floods. Flood insurance is only available to those communities participating in the NFIP. Because of our floodplain management programs, Deerfield residents are able to obtain flood insurance.

Additionally, because the Village

participates in FEMA's CRS program, flood insurance premiums are discounted. Be sure to check your policy to ensure you have adequate coverage.

These policies usually cover the building structure, but not its contents. Contents coverage can also be obtained upon request. There is a 30-day waiting period before flood insurance coverage becomes effective. Plan ahead - do not wait until a flood is predicted before purchasing flood insurance. If you are building inside the floodplain, the purchase of flood insurance is mandatory if using a federally regulated/insured bank for a loan.

ADDITIONAL INFORMATION

The Village of Deerfield Engineering Department also provides assistance with flooding or drainage concerns. Village staff can visit your property, if required, and help to assess the problem and may be able to offer solutions. The localized flood protection service is provided by the Engineering Department. Please contact the Engineering Department at 847.317.2490 with questions.

If you should require further or more detailed information regarding flood-related issues in Deerfield, here are some additional sources:

- FEMA.gov website
- Village of Deerfield Engineering Department
465 Elm Street
Deerfield, IL 60015
- Engineering Department Phone Number: 847.317.2490

LANDSCAPE WASTE PICKUP RESUMES IN APRIL

Bagged landscape waste pickup starts the first week of April on your regular collection days. Yard waste must be placed in a 30-gallon paper bag and placed at the

curb with a sticker affixed for collection.

A sticker is also required for each bundle of sticks or other yard waste and cannot exceed 4 feet in length, 30 inches in circumference and 50 pounds in weight. The price of landscape waste stickers this year is \$3.00. Collection runs April 1 through December 15.

Keep in mind that your compost containers can be used at no additional cost for yard waste, as well. Organic (compostable) material, such as yard waste and food waste, account for 24.9% of all the landfill waste in Lake County. Diverting organic materials to a compost bin means that our landfills won't fill up as fast. Instead, food waste can be turned into healthy soil that can be used on farms and in many other ways.

For more information, contact the Finance Department at 847.945.5000. ☞

LRS CART REMINDERS

Per Village ordinance, refuse, recycling and organics carts can be set out as early as sundown the day before collection and no later than 7 a.m. the day of collection. Collection on Waukegan and Deerfield Roads must be out no later than 6:30 a.m. on the scheduled collection day.

Be courteous to your neighbors by following Village regulations on when carts are permitted in your driveway.

After collection, all carts should be removed from the front yard no later than the evening of your collection day. On non-collections days, all containers should be stored in the garage or out of plain sight from the street in an effort to make the containers inconspicuous from the public way.

Residents can call Lakeshore Recycling at 844.NEED.LRS (844.633.3577) or e-mail at Service@LRScycles.com with any questions or concerns. ☞
