A Message From Mayor Shapiro

Together, we will continue to build on our successes in 2025

Reflecting on 2024, it has been a year of both accomplishments and challenges. The Board of Trustees approved several new housing developments, advanced the sustainability goals of the Climate Action Report, established a Lake Cook Road Tax Increment Financing (TIF) District, successfully navigated the repaving of Waukegan Road and implemented a new municipal adjudication system while improving Village services.

In the last year, the Village Board considered or approved several major residential projects that will bring more than 600 new housing units to Deerfield. The developments include apartments, townhomes, senior housing and a new 42-home subdivision, offering a range of options and price points for residents at different stages of life.

Construction will soon start on Lake Cook Crossings, a 254-unit rental community at Deerbrook Mall, with a pedestrian path to the Metra station and 25 affordable units. Additionally, Pulte's Leclair Estates will transform an 18 acre portion of the Wilmot Road Walgreens campus into 42 single-family homes, three of which will meet the Village's affordable housing requirements.

Continued on Page 2

Continued from Page 1

In January, the Village Board will consider final approval for 144 rental townhomes at 5 & 8 Parkway North, including 14 affordable units. Finally, the Deerfield Supportive Living Facility, at 1101-1121 Lake Cook Road, is currently redeveloping its site into a new four-story building with 147 affordable units for seniors.

I am pleased to report that our financial position remains very strong, and Village taxes will remain relatively unchanged in 2025. The Village has approved a \$62 million budget for 2025, with no new debt, that invests \$11.7 million in our community's capital infrastructure. This ensures that we continue providing the high level of service that our residents and businesses expect. As in past years, we are proud to maintain our Aaa bond rating and remain committed to being responsible stewards of taxpayer dollars.

Also, last year, the Village started administrative adjudication, which offers an independent and streamlined approach to resolving municipal ordinance violations as an alternative to the traditional court system. Designed to provide a more efficient, cost-effective and accessible resolution process for residents and contractors, the hearings expedite cases, lower litigation expenses and allow violators to contest tickets or citations in a convenient setting. They will address issues like building code violations, non-moving traffic offenses and other matters typically handled by the Community Development or Police Departments. Cases are presided over by an independent administrative law Judge, a licensed Illinois attorney who meets strict state qualifications.

In July, several Deerfield Police Department officers began wearing body cameras on their uniforms during their official duties. As of January 1, body worn cameras have been fully deployed. The use of body worn cameras will help collect evidence while improving transparency and accountability and strengthening public trust.

Looking forward to 2025, the Village has a number of major

projects and initiatives planned. The \$10 million 2025 Hazel Avenue Reconstruction Project starts in February. The Village was able to secure nearly \$5 million in federal grant funding for the project. It includes the full water main replacement, roadway reconstruction and sidewalk improvements between Waukegan Road and Wilmot Road. We also have seen a strong interest in the Lake Cook Road TIF District and I look forward to having development proposals submitted to our Plan Commission later this year in an effort to bring commercial businesses to the Village.

This year, we welcomed several new businesses to the Village including some coming soon in 2025:

- Floor & Decor, 96 S. Waukegan Road
- Auto Title Changers, 405 Lake Cook Road
- AirSculpt, 720 Waukegan Road
- Timber Ridge Pediatric Therapy, 400 Lake Cook Road
- Sky Zone, 120 S. Waukegan Road (Coming Soon)
- K9 Resorts, 649 Lake Cook Road (Coming Soon)
- Guzman y Gomez, 636 Deerfield Road (Coming Soon)
- Warby Parker (Coming Soon)
- Sephora (Coming Soon)
- Super 8 (Rebranded Red Roof Plus)
- Rosen Orthodontics (Coming Soon)
- Hank Haney Golf Studio (Coming Soon)

I am excited about the opportunities that lie ahead for our community as we step into the new year. Together, we will continue to build on our successes, invest in our infrastructure and welcome new restaurants, commercial businesses and housing developments that make Deerfield an even more vibrant place to live, work and play. The new year promises progress, innovation and connection, and I look forward to all that we will accomplish together.

GIL AND LINDA ANTOKAL PUT THE 'DEAR' IN DEERFIELD

Gil and Linda Antokal put the "Dear" in Deerfield by hosting blood drives in the Village for more than 30 years. In that time, they have organized 125 blood drives, collecting approximately 5,000 units of blood and helping nearly 15,000 people in need. They were recently recognized by Vitalant for their efforts.

Gil Antokal, a lifelong blood donor, first donated at the age of 17 as a freshman at the University of Illinois. He continued to donate throughout his military service in the 1960s. Their children also participate, making blood donation a family tradition.

"It's something I think is important. It gives me a good feeling to know I'm helping people," said Gil, reflecting on the impact of blood donation.

The Antokals' dedication to this cause has made a significant difference in the community, saving countless lives while celebrating the power of giving.

Visit deerfield.il.us or use the QR Code to share your 'Dear' in Deerfield story. Watch this space for updates.

Board Action

For complete sets of minutes for Village Board meetings or to watch meetings on demand, please visit deerfield.il.us.

Dance and sing along to the catchy original songs of dynamic duo Wendy & DB!

DIY Snow Globes
Tuesday, February 25 & Wednesday February 26, 4:30 - 6 p.m.
Create a custom-made snow globe.

Public Works Updates

SNOW PLOWING BY THE NUMBERS

70 lane miles of roadway to clear per snow event

2,500 tons of road salt used per year

14 plow routes to clear per snow event

25 miles of sidewalk to clear per snow event near schools

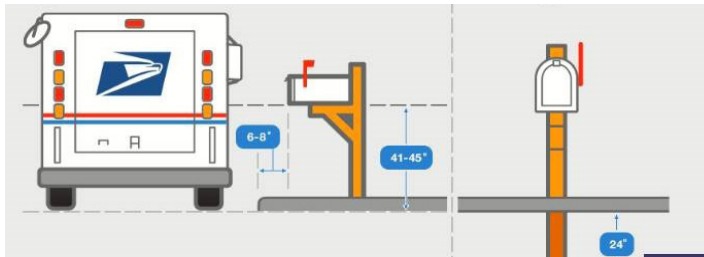

Village Snow Plowing Operations

The Village's Public Works Department is prepared for snow and is able to effectively clear Deerfield's 70 miles of roadway quickly to make safe travel possible for all who use our streets.

Keeping vehicles off the street assists plows and salt trucks in clearing the streets more effectively. As a reminder, vehicles cannot be parked on the street for 24 hours after two inches of snow have fallen, per Village ordinance.

By Village ordinance, you may not deposit snow from your property onto the street or sidewalk. This can hinder safe passage of vehicles and pedestrians and make it harder for Village plow crews to keep streets clear.

Please remember to shovel an extra area on your driveway apron or parkway to properly stage your refuse, recycling and compost bins for pick-up by Lakeshore Recycling.

Prevent Damage to Mailboxes

Mailboxes are sometimes damaged when snow storms affect Deerfield. If your mailbox is damaged or if you are planning to install a new one, please consult the guidelines on how to properly install a mailbox in a way that meets postal standards.

The majority of mailbox knockdowns occur because the post supporting the mailbox has deteriorated or the mailbox was installed incorrectly. (See graphic to the left.)

Per the United States Postal Service installation requirements, mailboxes should be positioned 41 to 45 inches from the road surface to the bottom of the mailbox and six to eight inches back from the curb. The post should be strong, but should be able to break away if struck by a vehicle that leaves the pavement.

If you decide to install a new mailbox, contact JULIE by dialing 811 before you dig. This will allow you to identify where buried utilities are located.

Winter Tree Trimming

The Village's Public Works Department is responsible for trimming parkway trees for traffic clearance, to preserve the trees' health and appearance, and to prevent possible damage to human life and property. The Village has established a cycle for the parkway tree trimming program. Deerfield is divided into quadrants with Deerfield Road as the north/south divider and Waukegan Road as the east/west divider. One of the quadrants is maintained each year. This year's trimming will take place in the southwest quadrant.

Trimming work is scheduled during the dormant season to avoid unnecessary damage or trauma to the tree.

Trimming is done in accordance with professional standards and may include cutting lower limbs for clearance and thinning of the crown.

Hazel Avenue Construction

The Village Board awarded the 2025 Hazel Avenue Reconstruction Project in December. This project includes the full water main replacement, roadway reconstruction and sidewalk improvements between Waukegan Road and Wilmot Road. This project was selected to receive nearly \$5 million in federal funding.

The contractor anticipates beginning work in February and completing the project by Thanksgiving 2025. Other miscellaneous work items that are required to accommodate the project improvements, such as tree removals

and ComEd pole relocations, will take place in January as weather permits.

A public meeting with additional details took place in November. Residents who could not attend can watch a video of the meeting that's shared on the Village's project specific website. Interested residents are encouraged to sign up for updates regarding the project.

For more information, please visit the Village's website or contact Tyler Dickinson, Assistant Director of Public Works & Engineering at 847.719.7463 or tdickinson@deerfield.il.us.

'Move Over' Law Redefined for 2025

Effective January 1, Illinois law requires that upon approaching an emergency scene, a stationary authorized emergency vehicle, or a construction or maintenance area or zone, drivers shall yield the right-of-way by making a lane change, if possible with due regard to safety and traffic conditions. If changing lanes would be impossible or unsafe, proceeding with due caution, drivers must reduce the speed of the vehicle to a speed that is reasonable with regard to traffic conditions to avoid a collision until safely past the construction or maintenance area or zone.

January 9 is National Law Enforcement Appreciation Day

National Law Enforcement Appreciation Day was created by multiple organizations in 2015 to express their gratitude for officers in the United States. In support of their services, citizens are encouraged to do their part in thanking the law enforcers on this day. One of the main organizations to take the lead in this is C.O.P.S – Concerns of Police Survivors. They say that law enforcement officers need to be shown that the difficult career path they have chosen is recognized by the people who they protect and uphold the law for. On National Law Enforcement Appreciation Day (and every day) we express our gratitude and appreciation to not only our officers, but to over 900,000 officers throughout the United States.

Winter Weather Reminders

When winter weather causes hazardous road conditions, the Police Department experiences an influx of crash reports at the same time. If it is determined necessary, an Accident Crash Emergency Plan may be enacted. During an Accident Crash Emergency Plan, drivers involved in a minor crash where both vehicles are in a drivable state should exchange driver's information

and drive to the police station to complete a crash report. Crashes can also be reported in person at the Police Department up to a week after the incident.

Additionally, remember that it is unlawful to park any vehicle on any public street in the village or in any village parking lot after a snowfall of two inches or more has occurred. The restriction remains in effect for a period of 24 hours or until the streets or parking lots have been cleared.

Shepard 'Pack the Place' Fundraiser

The annual "Pack the Place" fundraiser hosted by the Deerfield Police Department, Deerfield-Bannockburn Fire Protection District and Shepard Middle School will take place on February 5 in support of the 100 Club of Illinois. Everyone is encouraged to bring their families and enjoy the intense four quarter matchup between the 8th graders at Shepard and our own team of Deerfield Police and Deerfield Bannockburn Fire Department members. If you are unable to attend, a donation toward the event is always welcome. Contact School Resource Officer Lauren Maldonado at lmaldonado@deerfield.il.us for more information.

Pack the Place raised over \$3,000 last year for the 100 Club of Illinois and this year we hope to not only beat the 8th graders (fingers crossed) but beat our total from last year! The 100 Club of Illinois provides

resources, financial support, access to training and moral support to both the families of first responders killed in the line of duty and active duty first responders throughout the State of Illinois.

DEERFIELD SPECIAL EVENTS

Special events play a vital role in enhancing the quality of life for residents and visitors in the Village of Deerfield. By fostering community connections, supporting local businesses, and providing opportunities for cultural enrichment and recreation, these events create a sense of belonging and pride in the community.

Special events often feature performances by local artists, musicians and cultural groups, celebrating the Village's creativity and diversity. Markets, festivals and fairs allow local businesses to showcase their goods and services, boosting the local economy and encouraging residents to shop locally. Food Truck Wednesdays and the Winter Market and Winter Celebration are especially popular, offering unique dining experiences and holiday cheer that draw in families and friends alike.

These events offer moments to celebrate milestones, enjoy entertainment and create cherished memories. From fireworks on the Fourth of July to holiday lights in winter, these experiences become treasured traditions for residents.

By investing in a variety of special events, Deerfield continues to cultivate a dynamic, welcoming and enriched community, reinforcing its reputation as a wonderful place to call home.

Special Events That Build Community

Food Truck Wednesdays

Enjoy dinner with your neighbors at Food Truck Wednesdays! Held on May 21, June 4, July 9, July 23, August 6 and August 20, this event brings a variety of delicious food trucks to Park Avenue from 4:30 to 8 p.m. Savor a wide range of cuisines, from classic comfort food to international flavors, while enjoying live music and the company of neighbors and friends.

Deerfield Art Festival

Immerse yourself in the vibrant world of art at the Deerfield Art Festival on May 31 and June 1. This two-

day celebration transforms the Village into an outdoor gallery, featuring the works of talented local and regional artists. Don't miss interactive art activities that let you unleash your own creativity.

Deerfield Farmers Market

Celebrate the best of the season at the Deerfield Farmers Market! Open every Saturday from June 14 to October 4, from 7 a.m. to 12:30 p.m., the market is a hub for fresh, locally sourced produce, artisanal foods, and handmade goods. Located at Park Avenue, it's the perfect place to stock up on fruits, vegetables, baked treats, and more. In

addition to shopping, enjoy live music, and activities for all ages. The Farmers Market is a community tradition that supports food, friends and fun.

Deerfield Family Days

Celebrate summer in style with Deerfield Family Days on July 3 and 4! This beloved two-day event offers something for everyone, starting with a spectacular fireworks display on July 3 to light up the night sky. On July 4, enjoy a patriotic parade, fun games, delicious food and exciting activities for kids and adults alike. Family Days is a time to gather with friends and neighbors, make lasting memories and show your patriotic spirit.

SIGN UP TODAY! 

More Convenient Online Utility Bill System

Introducing Invoice Cloud – the Village’s new utility billing portal.

The Village of Deerfield is pleased to announce the launch of a new, more convenient online billing and payment service through Invoice Cloud, offering customers greater flexibility to view and pay their utility bills online. Additionally, customers will have more choices to pay their bill, including by phone and by text.

The easy-to-use payment portal provides customers with quick access to their account to view bills, check their balance, make payments and enroll in paperless billing.

Features include an “at a glance” dashboard, securely storing payment information, and more automatic payment options including: choosing a specific day for payments to process, email reminders, and linking multiple accounts. Customers can view their current bill and make a one-time payment without registering. No action is needed by residents with existing ACH autopay.

Harvest Fest

Celebrate the season at Deerfield’s Harvest Fest on Saturday, September 20! The day kicks off with special Harvest Fest activities at the Farmers Market in the morning. In the afternoon, gear up for the Car Show from 2:30 to 5 p.m., where classic and unique vehicles take center stage. Then, rock the night away from 5 to 10 p.m. with Harvest Fest festivities, including live music, delicious food, refreshing drinks, and entertaining games.

Winter Lighting Celebration

Bring the family and join us for Deerfield’s Winter Lighting Celebration on December 5 at Village Hall from 5 to 8 p.m. This festive event offers

a magical start to the holiday season, featuring a tree-lighting ceremony, carolers, and fun activities for all ages. Enjoy hot cocoa, sweet treats, and seasonal crafts while soaking in the holiday cheer.

Winter Market

Get into the holiday spirit at the Winter Market on December 6 at the Patty Turner Center from 9 a.m. to 2 p.m. This seasonal market is a treasure trove of unique holiday gifts, handmade crafts, and delicious treats from local vendors. Whether you’re looking for the perfect present, festive decorations, or just a morning of shopping and socializing, the Winter Market has you covered.

DBR Chamber Holiday Luncheon Awards

The Deerfield, Bannockburn, Riverwoods Chamber of Commerce celebrated outstanding contributions at its annual Holiday Luncheon with awards to members. The following awards were presented:

- **Rising Star Award: Elizabeth Reitz of Lucky E LTD** has made an impact in her first year with the Chamber, helping with tasks big and small and volunteering throughout the community.
- **Connector Extraordinaire Award: Abby Clark of Absolutely Creative Promotion** excels at fostering connections and building relationships within the Chamber.
- **Social Media Superstar Award: David Fitzgerald-Sullivan, Communications Coordinator for the Village of Deerfield**, was recognized for using social media to effectively promote the Chamber and engage the community.
- **Non-Profit of the Year Award: GiGi’s Playhouse Deerfield** provides free programs for individuals with Down syndrome and fosters inclusivity in our community.
- **Business of the Year Award: Chick-fil-A Deerfield**, led by **Joe Rhodes**, was honored for its consistent support of Chamber events and dedication to the community.
