On February 7, 2020 at approximately 4:31am the Deerfield Police Department received a call of a suspicious auto in the northwest quadrant of town. The subjects of the vehicle were seen entering parked vehicles.

Upon arrival to the area officers located a white Audi, when four subjects re-entered the vehicle and left the area. Officers attempted to stop the Audi but were unsuccessful.

Preliminary investigation shows there were 5 Burglary to Auto reports and two Criminal Trespass to Auto reports. During one incident a garage was opened with the garage door opener, located in an unlocked vehicle in the driveway. It does not appear at this time the residence was entered.

Deerfield along with other North Shore communities have been experiencing similar incidents over the last several months. The Deerfield Police Department wants to remind everyone to take their keys, lock the doors, and do not leave any valuables inside your vehicle.
