## **Deerfield Named in Top 50 Best Suburbs in U.S.**

Business Insider in October released its list "Ranked: Best 50 Suburbs in America," naming Deerfield as 38th overall. The publication lauded the Village for its low crime, great transportation to Chicago, great schools and proximity to headquarters of major corporations. The only other Illinois towns included in the list are Hinsdale at 28th and Winnetka at 40th.
