

Celebrating 25 years!

Planning for this year's very special 25th Farmers Market is officially underway and it all starts with our vendors! Our goal continues to be to build on the Deerfield Farmers Market's history of success to make this market great for our vendors, patrons and the community.

Attached is an application for our 2019 market. The first day of our 2019 Market is June 15th.

To submit your application for approval please print out a copy and complete the entire application and sign and date the affidavit.

1. Completed and signed vendor application
2. Check made payable to the Village of Deerfield for full amount of vendor fees (please note our vendor fees have not changed)
3. Copy of current certificate of liability insurance
4. A current, but brief bio, photo and a website address that we can include on our website and provide customers with a link to your site.

A copy of our Rules of Operation is also attached. Please take a moment to review them.

As a reminder, if you plan to sell prepared or made-to-order food and/or offer samples of your product, you MUST apply for a Temporary Food Service Permit from the Lake County Health Department (LCHD). Applications may be downloaded as follows:

- Go to the LCHD website at <http://health.lakecountyil.gov/Pages/default.aspx>
- Click Environmental Health
- Click Food Safety and Inspections
- Located on the right side display panel towards the bottom is the 2019 Temporary Event Application

If you are not sure whether or not you should apply for a permit or if you have any questions, please contact the Lake County Health Department at 847-377-8023. All items must be prepared in a commercial kitchen in order to participate with the Village of Deerfield Farmers Market.

Your approval for participation in this season's market will be confirmed by email upon receipt of the above items. You will receive confirmation of your approved Temporary Food Service Permit Application directly from the Lake County Health Department. **Please retain a copy of both applications for your files.**

Please continue to visit our website, www.deerfield.il.us/residents/farmers_market for updated information on this season's activities and events.

Thank you
